

United States Department of State

Washington, D.C. 20520

JUL 21 2008

Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to support the development of the AN/APX-68 Transponder Set and Control Box for use on various Japanese aircraft and ships.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew A. Reynolds".

Matthew A. Reynolds
Acting Assistant Secretary
